Personal Statement

My name is Abdulqadir Mohammed Msingi I am motivated and ambitious Computer Science student with a strong passion for technology and software development. Currently pursuing a degree at the University of Dar es Salaam, I am dedicated to expanding my knowledge and skills in the field. With a keen interest in the latest advancements in technology, I strive to contribute to innovative solutions that positively impact society and I am a team player who believes that working together can bring a change not only inside the organization but to the society in whole.
